

Washington Troupe

Welcome to the Washington Troupe Interest meeting! I'm excited you are here and I hope you decide to join. This performing group is known system wide as one of the best. However, we are more than just a group, we are a TROUPE! We build relationships with our community, make each other stronger, provide an outlet for students, and have a great time while doing it. We are WASHINGTON TROUPE! Through performing we will learn and share music using our voices, instruments, and even our bodies.

Troupe will practice on **Tuesday and Thursday mornings** from 8:05-8:25 am in the auditorium. If you wish to perform with troupe you must attend **ALL** rehearsals unless a note is provided before your absence. Missing more than THREE rehearsals may result in losing performance privileges. You will also need to provide a paper two-pocket folder to keep music and notes safe.

NEW this year... students may sign up for Fall Troupe, Spring Troupe, or both! However, only 100 students may be in each ensemble. 5th grade will be offered open spots first, followed by 4th grade. Also, a commitment audition and signed contract will be required for all Troupe members.

If you would like to join Washington Troupe please sign and return by: September 12, 2017. Auditions will follow contract submissions.
